

Barsha Sitoula

Data Analyst | Business Intelligence | Quantitative Research

Miami, Florida • (786) 778-2467 • sitoulabarsha122@gmail.com • linkedin.com/in/barsha-sitoula-6b0111316

PROFESSIONAL SUMMARY

Data analyst and quantitative researcher with graduate training in management science and business administration. Experienced in data cleaning, statistical analysis, dashboard development, KPI reporting, and survey research across banking, higher education, and technology settings. Skilled in translating complex data into clear findings for operational and academic decision-making.

CORE SKILLS

Analytics & BI	Power BI, Tableau, Excel, KPI dashboards, data visualization, reporting
Data & Tools	SQL, Python, R, SPSS, SAP, GitHub, JIRA
Methods	Regression analysis, mediation and moderation modeling, hypothesis testing, bootstrap inference, survey design, model diagnostics
Web & Design	HTML/CSS, Figma

PROFESSIONAL EXPERIENCE

Teaching Assistant / Student Worker Jun 2024 - Present
Atlantis University | Miami, Florida

- Deliver instructional support in quantitative methods and business analytics, including regression interpretation and practical application of R, SPSS, Excel, and Power BI.
- Create supplementary analytical materials and provide one-on-one guidance on statistical methods and data interpretation.
- Support institutional data collection and analysis of academic performance trends for administrative decision-making.

Web Development and Data Analyst Intern May 2024 - Aug 2024
Intern Protégé Inc. | California, United States

- Analyzed user interaction data in Excel to identify usability patterns and inform evidence-based interface improvements.
- Collaborated in an Agile environment using GitHub and JIRA for version control, task management, and team coordination.

Trainee Assistant Executive and Business Data Analyst Jan 2022 - Dec 2023
NIC Asia Bank Ltd. | Lalitpur, Nepal

- Built analytical dashboards and validated data pipelines in Excel and SAP to monitor customer retention, service quality, and financial risk KPIs.
- Produced compliance and performance reports aligned with central bank regulatory standards.

Representative Executive and Administrative Assistant Jan 2018 - Aug 2021
Sudarshan Saving & Credit Co-operative Ltd. | Kathmandu, Nepal

- Managed customer accounts, financial records, and transaction documentation while maintaining audit-ready institutional records.

SELECTED RESEARCH EXPERIENCE

Graduate Capstone Researcher

Dec 2025

Atlantis University | Miami, Florida

- Designed and administered a cross-cultural survey on artificial intelligence and retail banking, collecting more than 300 responses across the United States, Europe, and Asia.
- Cleaned survey data, constructed analytical variables, and addressed missing data for statistical modeling.
- Estimated mediation models with bootstrapped confidence intervals to examine how explainability influences trust, satisfaction, and loyalty.
- Developed Power BI dashboards for comparing Net Promoter Score and Customer Satisfaction metrics across demographic groups.

Master's Thesis Researcher

2021 - 2023

Tribhuvan University | Kathmandu, Nepal

- Investigated factors affecting internal audit effectiveness in Nepalese commercial banks using multivariate regression in SPSS.
- Performed hypothesis testing, multicollinearity and heteroscedasticity diagnostics, and sensitivity analyses to validate findings.
- Translated results into practical insights on governance and internal control systems in emerging-market financial institutions.

Research Assistant

Sep 2020 - Dec 2021

Tribhuvan University, Faculty of Management | Kathmandu, Nepal

- Supported quantitative instrument design, dataset preparation, regression analysis, and production of tables and analytical summaries for academic submission.
- Coordinated survey administration across concurrent faculty research projects and deadlines.
